

A step by step guide to show you...

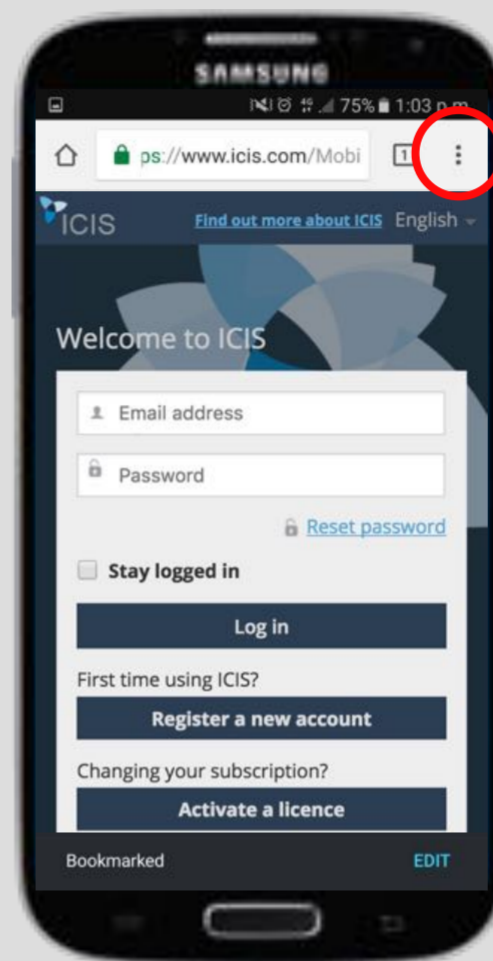

How to create a shortcut to ICIS

1

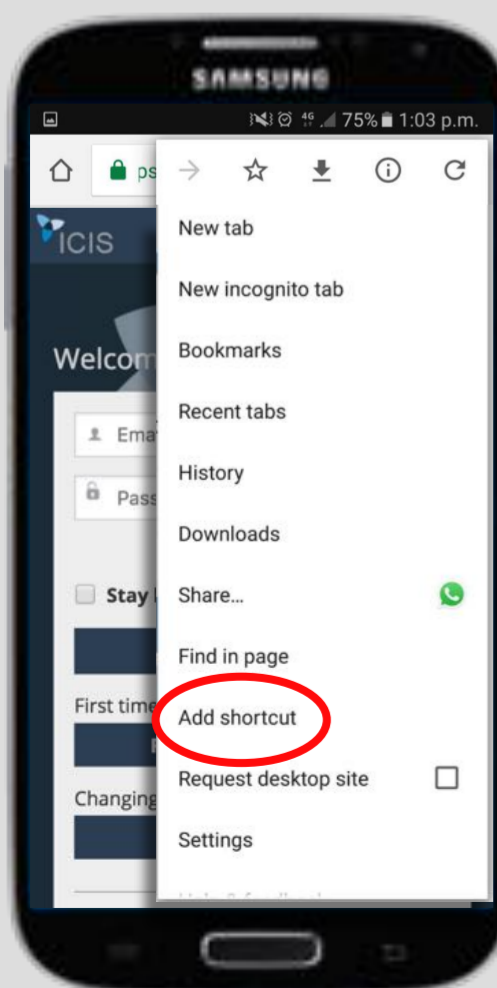

Go to
[www.icis.com/
mobiledashboard](http://www.icis.com/mobiledashboard)

2

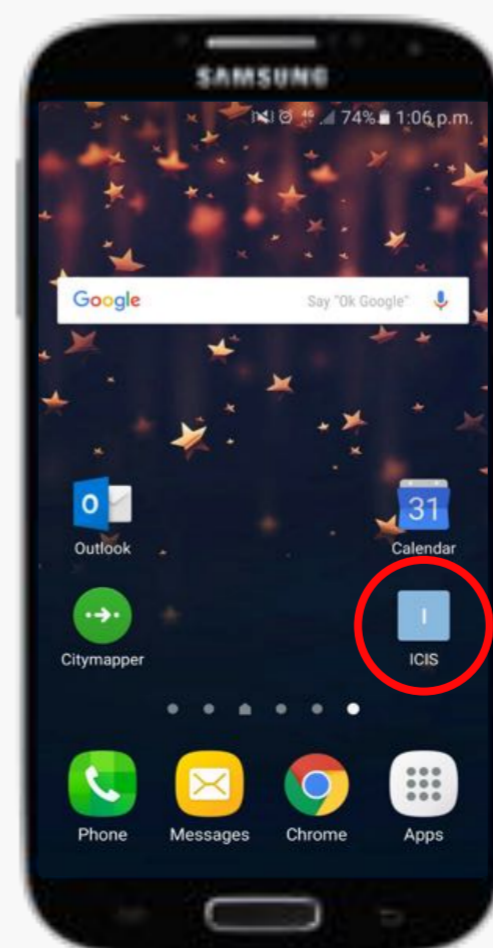

Tap the menu
icon: ⋮

3

Tap 'Add
shortcut'.

4

An ICIS icon will
appear on your
home screen. Open
this to get direct
access to ICIS on
the move.
